Objective:

As a passionate and innovative frontend developer, I am eager to leverage my skills and creativity to contribute to dynamic projects. With a strong foundation in frontend development and hands-on experience with four projects, I am motivated to continuously learn and grow within the field.

Education:

B.Tech (Electrical) 2019

Galgotias College of Engg. & Tech. Greater Noida. UP.

Additional Skills:

- Strong problem-solving skills.
- Excellent communication and teamwork abilities.
- Ability to quickly learn new technologies and adapt to changing environments.

Technical Skills:

- Proficient in HTML5, CSS3, JavaScript.
- Familiarity with frontend framework/library React.js.
- Knowledge of responsive design principles and cross-browser compatibility.
- Familiarity with version control systems like Git.
- Basic understanding of backend technologies such as Python.

Projects:

Amazon's UI Clone

Description: Developed a responsive e-commerce website using HTML, CSS. Replicate the layout, design elements, including the header with logo and navigation links, sidebar for categories, main content section with product listings, and a footer with copyright information. Apply responsive design principles for compatibility across different devices.

Technologies Used: HTML5, CSS3.

Task Management App

Description: Created a task management application. Implemented features such as adding, editing, and deleting tasks. Utilized local storage for data persistence.

Technologies Used: HTML5, CSS3, JavaScript.

News App

Description: Developed a responsive news application using HTML, CSS, and JavaScript. Provide real-time news updates with categories, search functionality. Ensure an intuitive user interface and compatibility across devices.

Technologies Used: HTML5, CSS3, JavaScript.

Strengths :

Quick Learner, Goal Oriented,
Hard Working, Progressive,
Positive Attitude, Punctuality,
Sincerity.

Portfolio Website

Description: Designed and developed a personal portfolio website to showcase projects and skills. Implemented smooth animations and transitions to enhance user experience. Click here to visit:-
